ROADS INCREASING TOLL OF PRECIOUS LIFE

"We Must Do Something Positive About It"

Says General Sir F. Morgan

"We are fully aware of the disease of carelessness," Mr. Suter added "and the R.S.P.A. has said that carelessness on someone's part is the cause of 98 per cent. of accidents. Therefore, by being individually more careful the greater part of the remedy is in our own hands."

The youngsters may have been a little disappointed in the fact that although the driver was properly equipped with the regulation top hat General Sir Frederick Morgan, Councillor G. A. Suter, J.P. (Chairman of the Council), Miss Elizabeth Suter (who deputised for her mother), Councillor S. C. Clifton (Chairman, Road Safety Committee), Mrs. Clifton and the Clerk to the Council (Mr. John Poole) were in modern dress.

Shy, charming little Friscilla Palmer is seen receiving the prize she won in the safety poster competition from Lady Morgan while the Chairman of the Council (Mr. G. A. Suter, J.P.) looks on approvingly.
