

YOU CAN TAKE A SUTERS CO-ORDINATE ANYWHERE

In our Casualwear and Children's departments we're introducing a fabulous new range of co-ordinates. To wear with what you like. And how you like.

For example: This morning you wear the Battle Top with the Button-through Skirt. This evening you want to alter the mood a little. So you change into the flared Trousers. Maybe you decide to keep the Battle Top on. Or perhaps you change it for the Safari Jacket. It's that easy.

Now how about prices? Well, for only £12.35 the Battle Top, the Button-through Skirt and the Flared Trousers can be yours. And that's real value...

Some of the co-ordinates are also made in children's sizes. So you and your daughter can team-up in the "denim look". Which we thought you'd like.

And because these pre-shrunk co-ordinates are made in 70% Viscose and 30% Nylon you can wear them anytime. Take them anywhere. And they'll still look crisp, stay fresh.
